Arts, Commerce and Science College, Jawhar, Dist.-Palghar

In accordance with a desire to take the guidance of experts, the **Department of Chemistry, Arts, Commerce and Science College, Jawhar, Dist.-Palghar** and the **Department of Chemistry, Kankavli College, Kankavli** has entered into this formal statement of collaboration in the form of Linkage with effect from Dt.11/01/2022 for encouraging students and faculties in getting a varied training through programmes such as Seminar / Webinar / Workshop / FDP to be jointly organised by both the departments for the period of five years (Till 11/01/2027).

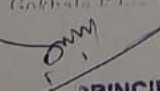

The institution has agreed to explore and utilise the guidance and co-operation of Faculty of Department(s) of Chemistry for the following purpose:

1. Review of teaching and research practices among faculty and students.
2. Collaboration with faculties and students to engage in exchange of ideas, pedagogic materials for the professional development and organising activities such as Seminars, Webinars and Workshops for faculties and students.

It is understood that the details of joint activities/ conditions for utilisation of results achieved arrangements for specific visits, exchange and all other forms of co-operation will be handled on mutually agreeable terms for each specific case.

Report of Guest Lecture on “Young Chemist Opportunities and Expectations”

Topic	Young Chemist Opportunities and Expectations
Organizer	Department of Chemistry
Day & Date	12th February, 2022
Mode of lecture	Online
Objectives	<ol style="list-style-type: none">1. To make the undergraduate students aware about applications and scope of Chemistry.2. To inform students about future opportunities in the field of Chemistry.3. To give information about the importance of research and innovation in the field of Chemistry.4. To create awareness about importance of higher education among students.5. To give them information about institutes of national importance in Chemistry.6. To aware students about expectations of industry from Chemistry graduates.
Resource Persons	Dr. Vikas Padalkar Ph.D., JSPS Fellow Deputy General Manager- Research & Development NOCIL LIMITED
No. of Participants	176

Report:

Guest lecture on the topic “**Young Chemist Opportunities and Expectations**” was organized by the Chemistry department of Kankavli College, Kankavli in collaboration with the Chemistry department of Arts, Commerce and Science College, Jawahar. For this programme, Dr Vikas Padalkar, Deputy General Manager, NOCIL Limited was available as a guest speaker. The programme was started at 12:35 p.m. on Saturday dated 12/02/2022 with the welcome address of Dr M. R. Meshram, Principal, Arts, Commerce and Science College, Jawahar. In his address, he welcomed guest speaker Dr Vikas Padalkar, Dr R. B. Chougule I/C Principal, Kankavli College, Kankavli, teaching-non-teaching staff members and students of both the colleges. He further added the importance of science, the role of Chemistry in the development of the standard of living of human beings. He also spoke about the roadmap for success in chemistry.

Guest Speaker Dr Vikas Padalkar was introduced by Dr Balu Pawar, Head of Chemistry Department, Jawahar College. He gave a detailed introduction about Dr Vikas. Speaker of the day, Dr Vikas started his speech by stating the significance of higher education, research and innovation in the development of each country. He gave information about the number of academic/ research institutes, research fellowships in India and abroad. He suggested student community to go for higher education

and next to research. He also spoke about various positions available in the industry for Chemistry students in various departments such as researcher, marketing executive, analyst, technical services, sales and IPR section. He also stated the expectations of industry from chemistry students interested to join the industry. It needs in-box knowledge, clear objectives, commitment, passion and dedication. He further added the important pillars of research like literature, observation, data collection and analysis, dedication etc. He also gave some examples to demonstrate how chemistry students should think about any reaction or experiment as per industry perspective. At the end, he suggested students that they should be active and ask questions to the teachers.

Presidential address was given by Dr R. B. Chougule I/c Principal, Kankavli College, Kankavli. In his remarks, he told the value of knowledge in the holistic development of society. He praised the speaker for his valuable insights about the topic. Dr Disale from Kankavli College, Kankavli offered vote of thanks to President Dr R. B. Chougule, Dr M. R. Meshram, Dr Vikas Padalkar, teaching and non-teaching staff members and students from both the colleges. Dr Palekar anchored the programme.

Subject: Invitation as a Resource Person...

Dear Sir,

With reference to the above cited subject, Department of Chemistry of Kankavli College Kankavli and Arts, Commerce and Science College, Jawahar are going to organize an online guest lecture on **"Young Chemist Opportunities and Expectations"** on Saturday, 12/02/2022. It gives us immense pleasure to invite you as a **Resource Person** for this lecture. You are requested to deliver the lecture from 12:30 p.m. to 1:30 p.m.

Thanking You.

Yours faithfully,

Principal

Subject: Letter of Appreciation

Dear Sir,

We are thankful for delivering a guest lecture on **"Young Chemist Opportunities and Expectations"** organized by Department of Chemistry of Kankavli College, Kankavli in collaboration with Arts, Commerce and Science College, Jawahar on **Saturday, 11/02/2022**. We appreciate your valuable guidance you had given to our students. It was very interactive, motivating and informative. We are sure that everyone get benefited by your words. We look forward to hear from you in near future.

Thank you,

Yours faithfully,
