KANKAVLI COLLEGE, KANKAVLI
Annual report: 2020-21**

Webinar on the topic ‘*Restoration and Conservation of Wetlands.*’

Most of the programmes of science department are conducted through Science Association of Kankavli College, Kankavli.

Science Association and IQAC, Kankavli College, Kankavli has jointly organized a National webinar on the topic ‘*Restoration and Conservation of Wetlands.*’

Dr. B. G. Gavade, Assistant Professor in Botany, Kankavli College Kankavli and Dr. Yogesh J. Koli, Assistant Professor in Zoology, Sant Rawool Maharaj College, Kudal were present for the webinar as the resource persons. Both Dr. Gavade & Dr. Koli are the acting members of the Wetland Brief Documentation Committee of Sindhudurg.

Introductory speech of this programme was delivered by Dr. R. B. Chougule, the then IQAC Coordinator.

Dr. S.T. Disale gave a brief introduction of the resource persons.

In his presidential speech, Dr. Balasaheb Bongarde underlined the importance of wetlands.

Dr. B. G. Gavade a well-known plant taxonomist gave detailed information about the Wetlands, its scientific definition, present status, Ramsar conventions and the order of Hon. High Court & Green Tribunal on Conservation and Restoration of Wetlands. With the help of pictorial presentation he highlighted various category of plant species grow in and around the wetland and its importance in conservation and restoration of wetland ecosystem. Dr. Y. J. Koli a well-known Bird Expert had light on the different species of birds found in the wetlands.

Approximately 153 scholars (Professors and students) participated in this online webinar.

NATIONAL SCIENCE DAY CELEBRATION:

28th February is celebrated as 'Science day' countrywide. The theme of Science day this year was 'Future of STI: Impacts on Education, Skills, and Work'. Science association on behalf of our college had organized 'Science day'.

Hon. Vijaykumar Valanju, Secretary, Shikshan Prasarak mandal, Kankavli, was the chief guest of the ceremony, reviewed how science and technology has been the reason of development of society.

In the presidential speech Dr. R. B. Chougule I\C Principal, Kankavli College stated that scientific development should cause the development of society but at the same time it should not affect the nature and environment adversely.

Dr. S. T. Disale delivered the introductory speech and also shed light on different competitions that are held in college on the occasion of Science Day.

Prof. Sushama Harkulkar and Prof. S. B. Patil expressed their views on the role and power of science and scientific inventions.

Among students Miss. Shraddha Patkar, Miss. Harshada Kubal and Mr. Sagar Kadam expressed their thoughts on this occasion. The programme was anchored by Miss. Pooja Munj and vote of thanks was proposed by Prof. Apurva Golatkar.

All the work of Science Association was done under the able guidance of I\C Principal. Dr. R. B. Chougule, Kankavli College, Kankavli and the valuable cooperation by all teaching & non-teaching staff of Senior and junior college. During the whole academic year, all the programmes were conducted with the co-operation by all the senior- junior teaching and non- teaching staff and students.
