## Report on Marathi Bhasha Gaurav Din

Marathi Bhasha Gaurav Din was celebrated on February 27th, 2024 that marks the birthday of the esteemed poet Vishnu Vaman Shirwadkar, also known as Kusumagraj. Kusumagraj significantly contributed to Maharashtra's literary and cultural fields to elevate Marathi as a language of knowledge. In his honor, this day is celebrated as “Marathi Bhasha Gaurav Din”, a tribute to our mother tongue.

Kusumagraj's profound impact on Marathi poetry and literature earned him a revered place in Maharashtra's literary landscape. His relentless efforts made the Marathi language a beacon of knowledge. To commemorate his legacy, numerous government programs highlight the importance of Marathi language and literature, including special awards for individuals dedicated to preserving the language.

This year, Marathi Bhasha Gaurav Din was celebrated at Kankavli College in collaboration with the Cultural Department, Marathi Department, Vangmay Mandal, and Vasantrao Acharekar Cultural Foundation. The event featured an exhibition of wildflower photography by Kankavli's senior actor, publisher, and artist, Shri Vaman alias Uday Pandit.

### Wildflowers Photo Exhibition:

The Western Ghats boast rich plant biodiversity, particularly in Sindhudurg district, which has extensive private forests. This region features diverse vegetation, including coastal plants, mangrove forests, and a variety of aquatic and terrestrial species. The exhibition aimed to raise awareness among students about the region's plant biodiversity, highlighting various useful plants, their habitats, and ecosystems.

The 14th Wildflower Photo Exhibition by Shri Vaman Pandit was held on February 26th and 27th, 2024, from 9:00 a.m. to 6:00 p.m. The exhibition featured around 500 plant descriptions in Marathi, including details about annual, biannual, triannual, perennial, shrub, arboreal, parasitic, and insectivorous plants, along with their medicinal properties. The exhibition attracted students, teachers, parents, and citizens from Kankavli and nearby schools and colleges.

### Centenary Celebration of Vidyadhar Pundlik:

The year 2024 marks the centenary of Vidyadhar Pundalik's birth. On February 26th at 11:15 a.m., poems about trees by Vaman alias Uday Pandit were presented. These poems were conceptualized and interpreted by Pandit, with the code written by Dr. Vidyadhar Karandikar. Pandit's journey into the forests to photograph wildflowers led him to study diverse flora, emphasizing how nature, especially trees, can teach humans valuable life lessons. This tradition is reflected in the works of poets like Sant Kabir, Ramadas, B. B. Borkar, Vinda Karandikar, Vasant Bapat, Mangesh Padgaonkar, and Gulzar, who commented on environmental destruction due to unregulated mining and industrialization in Konkan.

### Katharang Program:

On February 27th, 2024, Kankavli College's Marathi Department organized a program called Katharang to celebrate the birth centenary of literary storyteller and dramatist Vidyadhar Pundalik. In this program, Shivani Vardam narrated G.A. Kulkarni's story 'Bhet,' Kanchan Parulekar narrated 'Kanchan Mrig,' Shubham Jadhav interpreted Vidyadhar Pundalik's story 'Aaji Sharan Yete,' and Mrinal Gaonkar interpreted 'Mal.' Following these narrations, Vibha Hadkar, Samiksha Shivalkar, Sayli Mungekar, Saloni Sawant, Tanaya Kadam, Prof. Seema Hadkar, and Prof. Haribhau Bhise presented poems. The program was attended by first, second, and third-year students from the arts and science departments.
