Detail Report of Two Days Workshop on ‘Rajmata Jijau Self-Defence Training Program for Girls’

Objectives

- 1) To provide information on self-defence to girl students.
- 2) To create awareness about self defence issues and necessity.
- 3) To provide information about proper training techniques.
- 4) To create healthy environment in society.
- 5) To enhance family and community health power.

As per the instructions of the Women and Child Development Department of the Government of Maharashtra, the Women Development Cell of Kankavli College, Kankavli had organised a two-day workshop on the self-defence training programme for girl students on 12/07/2023 and 13/07/2023. Women are the foundation of our families and play a vital role in creating a healthy society. In the academic year 2023-2024, approximately 500 girl students have enrolled in degree programs. In today's world, self-defence has become crucial for girls. To empower them, the Government of Maharashtra has partnered with Kankavli College to organize an impactful program focused on self-protection skills.

Government officials, including those from the Women and Child Development department of Sindhudurg district and the Police department, were present at the program. Notable attendees included Prof. Y. V. Mahalinge, the Principal of Kankavli College and Dr. Rajashree Salunkhe, Chairman of the Shikshan Prasarak Mandal. The event was also attended by 210 girl students and 08 ladies' teachers. On the first day of the workshop, an engaging and informative counselling program was introduced, dedicated to equipping girls with vital self-defence skills. Participants explored various techniques, learned about safety awareness.

On the second day, we organized a self-defence training program for girls and engaged in practical exercises aimed at boosting their confidence and empowering them in challenging situations. In just three hours, the trainer empowered 210 girls by teaching them essential defence techniques. This training not only enhanced their skills but also enabling them to feel safer and more secure in any situation.

A vote of thanks was proposed by Miss. P. G. Lokare.
